Application #09/661,361
Wireless Insurance Verification System
Confirmation #8984
April 13, 2007

Dear Mr. Daniel St. Cyr,

Enclosed with this mailing are the corrected, updated and amended specifications also new drawings pertaining to our wireless insurance verification system, hereafter referred to by the initials I.V.S. (Insurance Verification System) We pray that we have been successful in making the corrections and updates you requested and they meet your satisfaction. Also enclosed you will find an updated and corrected "Abstract", "Background of the Invention", "Brief Summary of the Invention", along with sample sheets showing the devices and their specific use in the system.

If for any reason we didn't make the proper changes and/or updates then please don't hesitate to call me at home, (225) 262-0561. I've been disabled and haven't worked since July of 2000 so it's pretty much a safe bet that I can be reached 24/7, 365 to talk with you concerning anymore corrections or updates that you may need. If for some odd reason that I'm not at home, I've got an answering machine and feel free to leave me any message.

It has been a delight to "work" with you on correcting my application. I truly appreciate your time and patience you've showed me. As I stated before; if for any reason you need to speak with me, just pick up the phone and I'll do my best to get you some answers to any questions you might have.

Sincerely,

Dennis M. Dearie
